Subject - Complaint regarding eve-teasing in the college premises.

Respected Sir,

We, the students of hostel block-6, would like to draw your attention towards the case of eve-teasing which happened yesterday inside the college premises around 8:30 PM, when some of our hostel girls were coming back from their Coaching Institute. The incident happened in various locations inside the premises but majorly on the yellow board. Girls were harassed through the abusive language and dirty comments. Their classmate, Deepanshu, student of EE engg., second year was an eye-witness of the incident but he denied to identify the people accused of harassment which we believe, is a strong lie.

We, humbly request you to take a strong action against such nuisance as there wouldn't be safe vibes, crossing any girl's mind, even if they are in the college premises.

Thanking you

Yours Truly  
Hostel - Block '6'; Girls
