

MADHAV INSTITUTE OF TECHNOLOGY & SCIENCE, GWALIOR

(A Govt. Aided UGC Autonomous & NAAC Accredited Institute Affiliated to RGPV, Bhopal)

Safety & Security

The Institute has hired adequate and well-trained security person, including a good proportion of women security staff to ensure Safety and Security. They monitor the physical safety of campus buildings by locking and unlocking doors, patrolling and reporting suspicious behavior etc. Institute has a state-of-the-art surveillance system, whereby more than 100 cameras are installed at various places including the sensitive locations. In order to make sure that students feel comfortable and **safe** in hostels, **security** guards are deputed separately there for a **safe** environment.
