PUBG (Player Unknown Battle Group) was held up on 16th September, 2018 in the MITS campus. It was the first inter college gaming of the year with 30% participation from other colleges and remaining participation from MITS. Around 180 students participated in the event through offline as well as online registration. The participation was done among the three different Categories:- Solo, Duo and Squad. Prizes were distributed to the first, second holders in each category. Participation certificate was given to winner students from each category.
