

## Application Form

**ONE DAY  
NATIONAL WORKSHOP  
ON  
RECENT ADVANCES IN GEOTECHNICAL  
ENGINEERING-FROM THEORY TO PRACTICES**

**(Under TEQIP-III)  
(19<sup>th</sup> October, 2019)**

1. Name: .....
2. Gender: .....
3. Department..... Designation:.....
4. Organization: .....
5. Correspondence address: .....
- .....
- Mobile. No.: .....
- E-mail: .....
6. Qualifications: .....
7. Teaching/Research Exp. (Years):.....
8. Area of Research: .....
- .....

(Signature of the Applicant with date)

(Signature & Seal of Head of Department/Institute with date)

**Note: Photocopies of this form can be used.**

## Organising Committee

### Patron

Er. Ramesh Agrawal

Ex - MLA and Secretary, SECS

### Chairman

Dr. R. K. Pandit

Director, MITS Gwalior

### Convener

Dr. M. K. Trivedi

Prof. & Head, Department of Civil Engineering

### Coordinators

Dr. Pratibha Singh

Assistant Professor, Department of Civil Engineering

Prof. Shivendra Singh Kushwah

Assistant Professor, Department of Civil Engineering

Prof. Shivam Gupta

Assistant Professor, Department of Civil Engineering

### Organising Committee

Dr. S. K. Jain

Prof. Gautam Bhadoriya

Prof. Archana Tiwari

Prof. Aditya Agarwal

Dr. R. Kansal

Prof. Pranjul Rajput

Dr. Sanjay Tiwari

Prof. Priyank Goyal

Prof. A. K. Saxena

Prof. Manish Sharma

Prof. D. Rastogi

Prof. Wajid Hussain

Prof. A. K. Dwivedi

Prof. Nupur Verma

## Advisory Committee

Dr. Manjaree Pandit

Dean Academic

Dr. Pratesh Jayaswal

Academic Coordinator TEQIP –III

Dr. M.K. Trivedi

Prof. & Head, Civil Engineering

Dr. Manish Sagar

Prof. & Head, Mechanical Engineering

Dr. Laxmi Shrivastava

Prof. & Head, Electrical Engineering

Dr. Rekha Gupta

Prof. & Head, Electronics Engineering

Dr. Akhilesh Tiwari

Prof. & Head, CSE & IT

Dr. C.S. Malvi

Prof. & I/C Head, Chemical Engineering

Dr. Sanjay Singh Jadon

Prof. & Head, Architecture

Dr. Vikas Shinde

Prof. & Head, Applied Sciences

Dr. Sanjeev Khanna

Prof. & Head, Humanities

Dr. Sunita Sharma

Coordinator, Biotechnology

## Contact

### Dr. Pratibha Singh

Mobile: (+91-8077138901) (pratibhasinghcivil@mitsgwalior.in)

### Prof. Shivendra Singh Kushwah

Mobile: (+91-7999790587) (shivendrasinghcivil@mitsgwalior.in)

Department of Civil Engineering

Madhav Institute of Technology & Science

Race course Road, Gwalior- 474005 (M. P.)

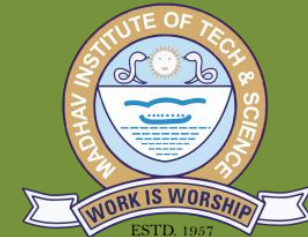

## ONE DAY NATIONAL WORKSHOP

ON

## RECENT ADVANCES IN GEOTECHNICAL ENGINEERING-FROM THEORY TO PRACTICES

(Under TEQIP-III)

(19<sup>th</sup> October, 2019)

Organized by

**Department of Civil Engineering**

**Madhav Institute of Technology & Science**

(Accredited by NAAC)

(A Govt. Aided UGC Autonomous Institute under RGPV, Bhopal)

Gole ka Mandir, Gwalior-474005

[www.mitsgwalior.in](http://www.mitsgwalior.in)

## About the Institute

Madhav Institute of Technology & Science (MITS) was established in 1957 by His Highness Late Sir Jiwaji Rao Scindia, Maharaja, of the erstwhile state of Gwalior. The foundation stone of the institute was laid by Late Dr. Rajendra Prasad on 20<sup>th</sup> October 1956 and the building was inaugurated by Late Dr. S. Radhakrishnan on 11<sup>th</sup> December, 1964. The President of India, Dr. Pratibha Devi Singh Patil graced the Golden Jubilee celebration of the Institute as Chief Guest on 20<sup>th</sup> June, 2008. MITS has its own lush green campus spread over 45 acres in city of rich heritage. The campus is about 3 kms from Gwalior railway station and 4 kms from airport. The Institute offers education in eleven undergraduate programmes, eighteen PG programmes and has a QIP centre for Ph.D. The prime objective of the Institute is to provide quality education in engineering and technology and to conquer this venture, the Institute has taken several initiatives by developing infrastructure and skills of faculty, staff and students from the fund given by World Bank under TEQIP-III.

## About Speakers

In this workshop various experts from prestigious institute like, CRRI and renowned industrialists will deliver lecture on various issues related to “*Recent Advances in Geotechnical Engineering- From Theory to Practices*”. There will be two sessions and each session (two lectures) will have a duration of about 150 minutes. The topics of the workshop will be focussed on the recent advances and developments that are taking place in the area of Geotechnical Investigation, Ground Improvement Techniques, Shallow and Deep foundations, Slope stability and Retaining Structures. The lectures will be interactive and rely on real life case studies and examples.

Many field problems in geotechnical engineering are still looked upon and solved by using conventional methods, therefore, there is an urgent need for the researchers and the practising engineers working in the field of geotechnical engineering, to keep updated about the latest trends and developments with the aim of updating their analytical and practical skills. In the workshop, challenges in Civil and Geotechnical engineering in the field and relevant preventive measures will be discussed to make efficient use of available advanced technologies.

## REGISTRATION GUIDELINES

The workshop is open to faculty members, research scholars, students and industry personnel belonging to Civil engineering. Those willing may register by sending the completed and duly signed “Registration Form” through E-mail to [shivendrasinghcivil@mitsgwalior.in](mailto:shivendrasinghcivil@mitsgwalior.in) or in person to Prof. Shivendra Singh Kushwah or Dr. Pratibha Singh till 17<sup>th</sup> October, 2019. (12:00 Noon)

Selection of final participation will be communicated through (email/text) on or before 17<sup>th</sup> October, 2019

No TA/DA will be paid however chargeable accommodation arrangement can be made on prior request to us before 17<sup>th</sup> October, 2019.

**Seats for the students are limited to 50 only and application form will be selected on first-cum-first-basis.**

**NOTE: - There will be no registration fees for Faculty members & Students.**
