

MADHAV INSTITUTE OF TECHNOLOGY & SCIENCE, GWALIOR

(A Govt. Aided UGC Autonomous Institute Affiliated to RGPV, Bhopal)

Ref. No. 104

Date: 11/07/2018

NOTICE

Subject: Regarding six monthly research work review of Ph.D. Students registered at the institute under various schemes

For the performance evaluation of the Ph.D. Students registered at the institute, a **six monthly review** will be conducted by a duly appointed committee. The candidates must also submit the six monthly progress reports to RGPV, Bhopal to fulfil the university norms.

The candidates will have to give a brief presentation of their work. It is also expected that every six month at least one paper will be communicated /published in refereed Journal/Conference **with candidate as the first author.**

The review will be conducted around August and February on the announced dates. It is mandatory for all registered students to report on the above dates for review and presentation.

The next review will be on 7th September 2018.

It is also necessary that all the candidates complete their registration formalities on IMS and clear all their fee dues before the review meeting.
