

# INDUSTRY CONCLAVE 2019

**TECHNOLOGY: FROM IDEAS  
TO IMPLEMENTATION**

**12  
April**

# ABOUT THE CONCLAVE

The Annual Industry Conclave-2019, being organized by Madhav Institute of Technology and Science, Gwalior aspires to reformulate the nuances of a dialogue between the Institute and Industry, with special focus on the manufacturing grid. A plethora of Industry leaders from world-renowned organisations will be gracing the Conclave stage on 12<sup>th</sup> of April to deliberate over vital issues relating to the Industry flux, the call of times, and development of innovative research modules within core streams of contemporary Engineering sectors that can be formulated into technologies of tomorrow. It stands as a golden opportunity for students and faculty alike to dwell deep into the machinations of an ever-changing Industry paradigm.
