

**MADHAV INSTITUTE OF TECHNOLOGY AND SCIENCE, GWALIOR**  
**(A Govt. Aided UGC Autonomous & NAAC Accredited Institute Affiliated to RGPV, Bhopal)**

**ANNUAL GENDER SENSATIZATION ACTION PLAN**

**2021-2022**

As Per Order No: 1374 Dated: 30.07.2021

**Introduction:**

Gender sensitization refers to raising the awareness of gender equality issues and concerns. The need of gender sensitization is to create awareness about the importance of gender sensitivity in organization/institutions. Gender is a Socially Learned behavior, based on the social expectations from Men and Women. Gender Sensitization gives a clear idea about Gender and helps to understand that GENDER is not about “Women” it’s about “People”. This can be achieved by conducting various campaigns, workshop, programs and activities etc.

**Objectives:**

1. To make students and staff gender sensitive and create positive values.
2. To provide overall guidance in integrating gender in all activities of the Institution in the form of group discussions, debates, poster making competitions etc.

**Outcomes:**

1. The level of awareness of women about various activities related to their welfare and development will rise.
2. This will be useful in motivating the people for taking up responsibilities and encouraging women participation at different levels.
3. The outlook of people regarding the gender stereotype will change.
4. Employees and students would be more aware that GENDER is not about “Women” it’s about “People”.

**ANNUAL GENDER SENSATIZATION ACTION PLAN  
2021-2022**

1. Ensure a safe campus environment for students and staff members by recognizing the importance of addressing gender related issues.
2. For building an understanding of gender related issues and creating an environment for gender friendly conversations, the sensitization of faculty members, students and staffs will be done.
3. After admission, the new students would be sensitized by regular sessions within the induction, the orientation programmes and through counseling provided by counselor. The new students would be provided mentors who are a teacher of their department and meetings between the mentor and mentee are to be conducted to ease the stress in the new environment.
4. To ensure the equity, the measures for everyone like their teaching-learning activities are to be unbiased and “No Discrimination” has to be strictly followed.
5. To ensure equal participations and opportunities for all students, faculties and staffs, various activities-cultural, sports, etc related to gender sensitization would be performed in the institute throughout the year.
6. To ensure safety and security and to look after that all such aspects are maintained and followed, regular meetings of the committee for the Grievance Redressal of students and employees would be conducted throughout the year.
7. To conduct regular Counselling sessions for the students on Gender Sensitization.
8. To conduct awareness programme for safety and security on regular basis.
9. To conduct workshops, seminars, debate etc related to gender, women’s rights and women empowerment for students by the departmental faculty members, NSS, and the Girl’s Grievance Cell.
