

# MADHAV INSTITUTE OF TECHNOLOGY & SCIENCE, GWALIOR

(A Govt. Aided UGC Autonomous & NAAC Accredited Institute Affiliated to RGPV, Bhopal)

Ref: 140

Date: 22. 01.2021

## ORDER

The Flexible Curriculum applicable in the institute has been designed to cater to the future needs of students and changing job markets. The SWAYAM/NPTEL courses add value to the degree and are provisioned in order to comply with AICTE model curriculum guidelines.

However, due to the present situation, students who are not able to appear in SWAYAM/NPTEL examinations or do not attain the required pass marks for credit transfer can appear for the examination conducted by the institute in the same mode. The re-examination will be conducted by the institute prior to declaration of the results of the students in the respective semester.

However, for such students the credits gained through the institute examination will not be treated as credits earned from SWAYAM/NPTEL.
