Hero MotoCorp: Economic Times "Best Workplaces for Women 2021"

During 2019, as in the previous two years, young adults between the ages of 18-45 accounted for approximately 69.3% of road accident victims and the working-age group accounted for 84.3% of total road accidents deaths.

Therefore, as a responsible citizen of India, it is our duty to take care of us as well as others.
